

**Quick Guide for Speakers & Panelists
for the preparation of your workshops and thematic sessions**

1. **Register all speakers & panelists** of your session into the system by sending us their name and emails.
2. **Configure a short Welcome Message** - When an attendee arrives, this welcome message will be displayed in the chat box.
3. **Configure your Polls and Surveys:**
 - a. **Polls:** create up to 20 polls. There is a maximum of 5 possible answers per each polling question. Polls are launched, answered, and reviewed during a session. Type of poll can be either:
 - i. Multiple choice with one answer
 - ii. Multiple choice with multiple answers
 - b. **Survey:** Add up to 25 questions to a survey. Surveys are sent after your session ends. Survey question type can be:
 - i. Multiple choice with one answer
 - ii. Multiple choice with multiple answers
 - iii. Rate on a scale (customizable between 1 and 10)
 - iv. Short answer
