

**BUS**  
LEAGUE

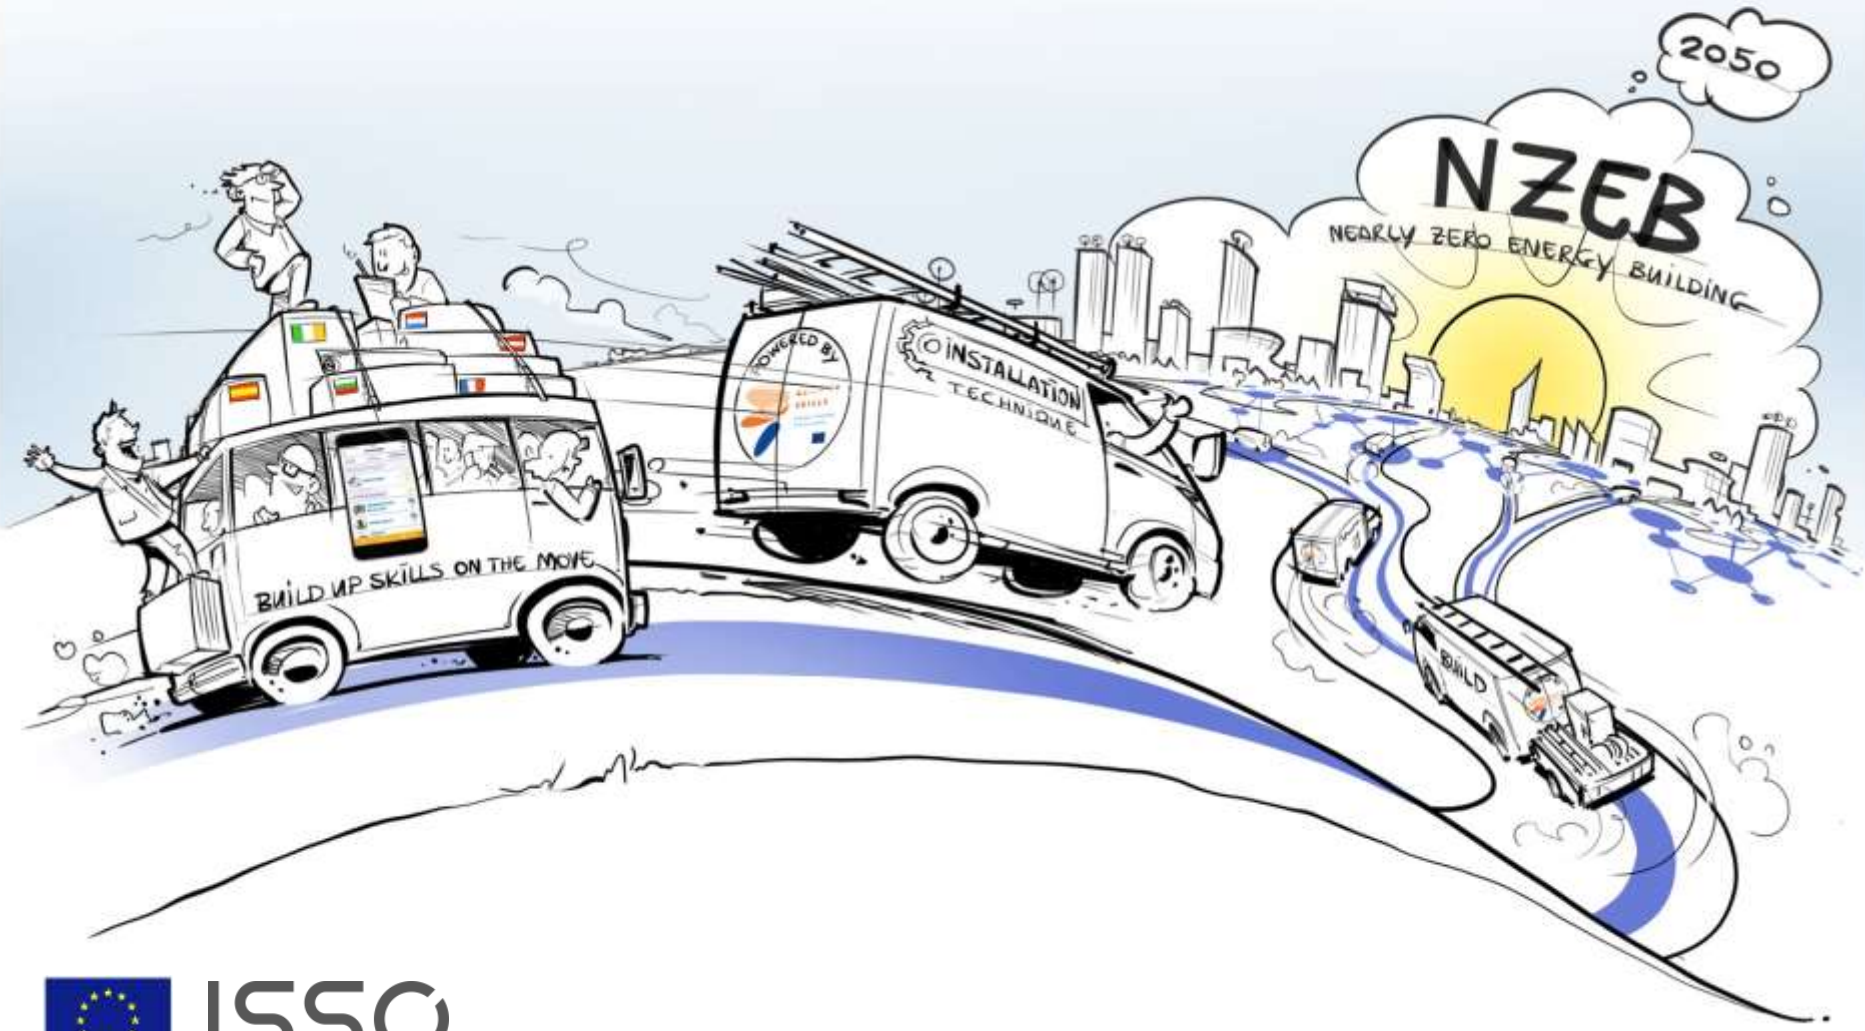

---

## A short introduction...

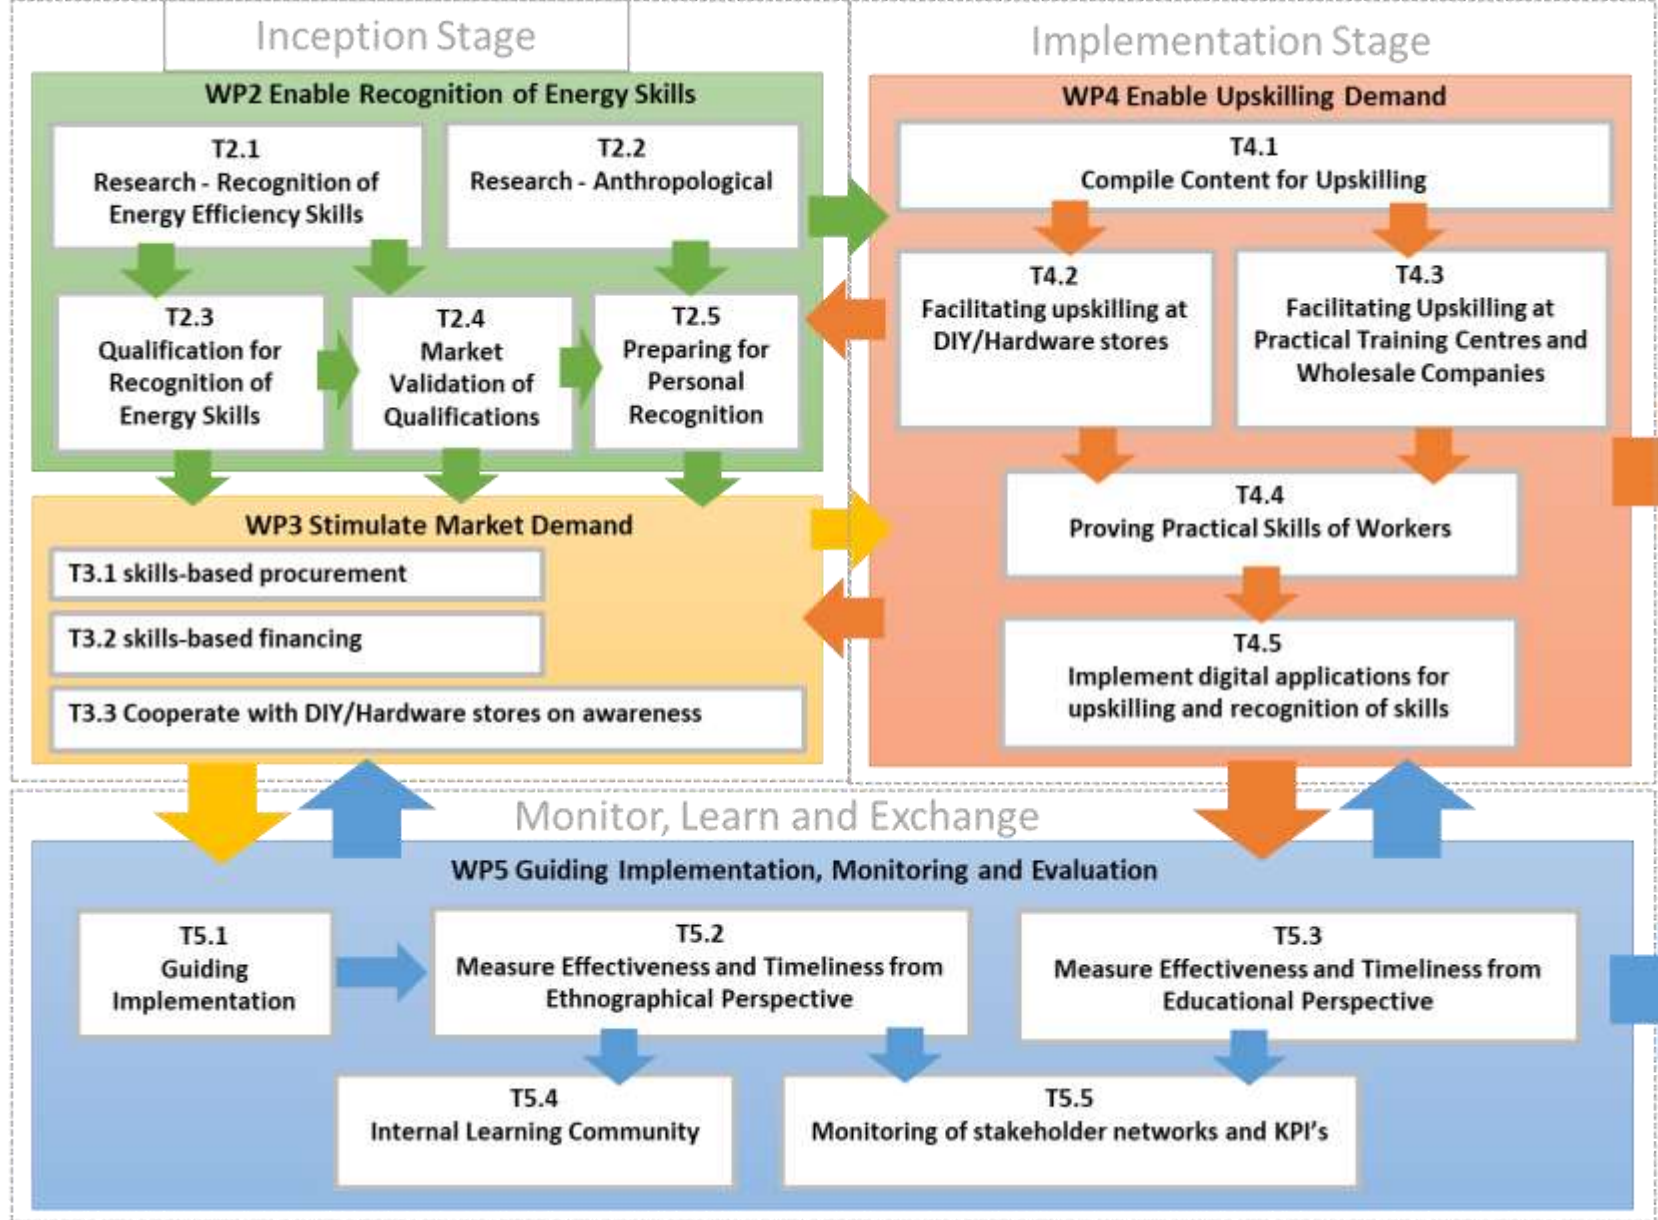

---

Sustainable places 2020, ONLINE  
28 October 2020, ISSO, Jan Cromwijk

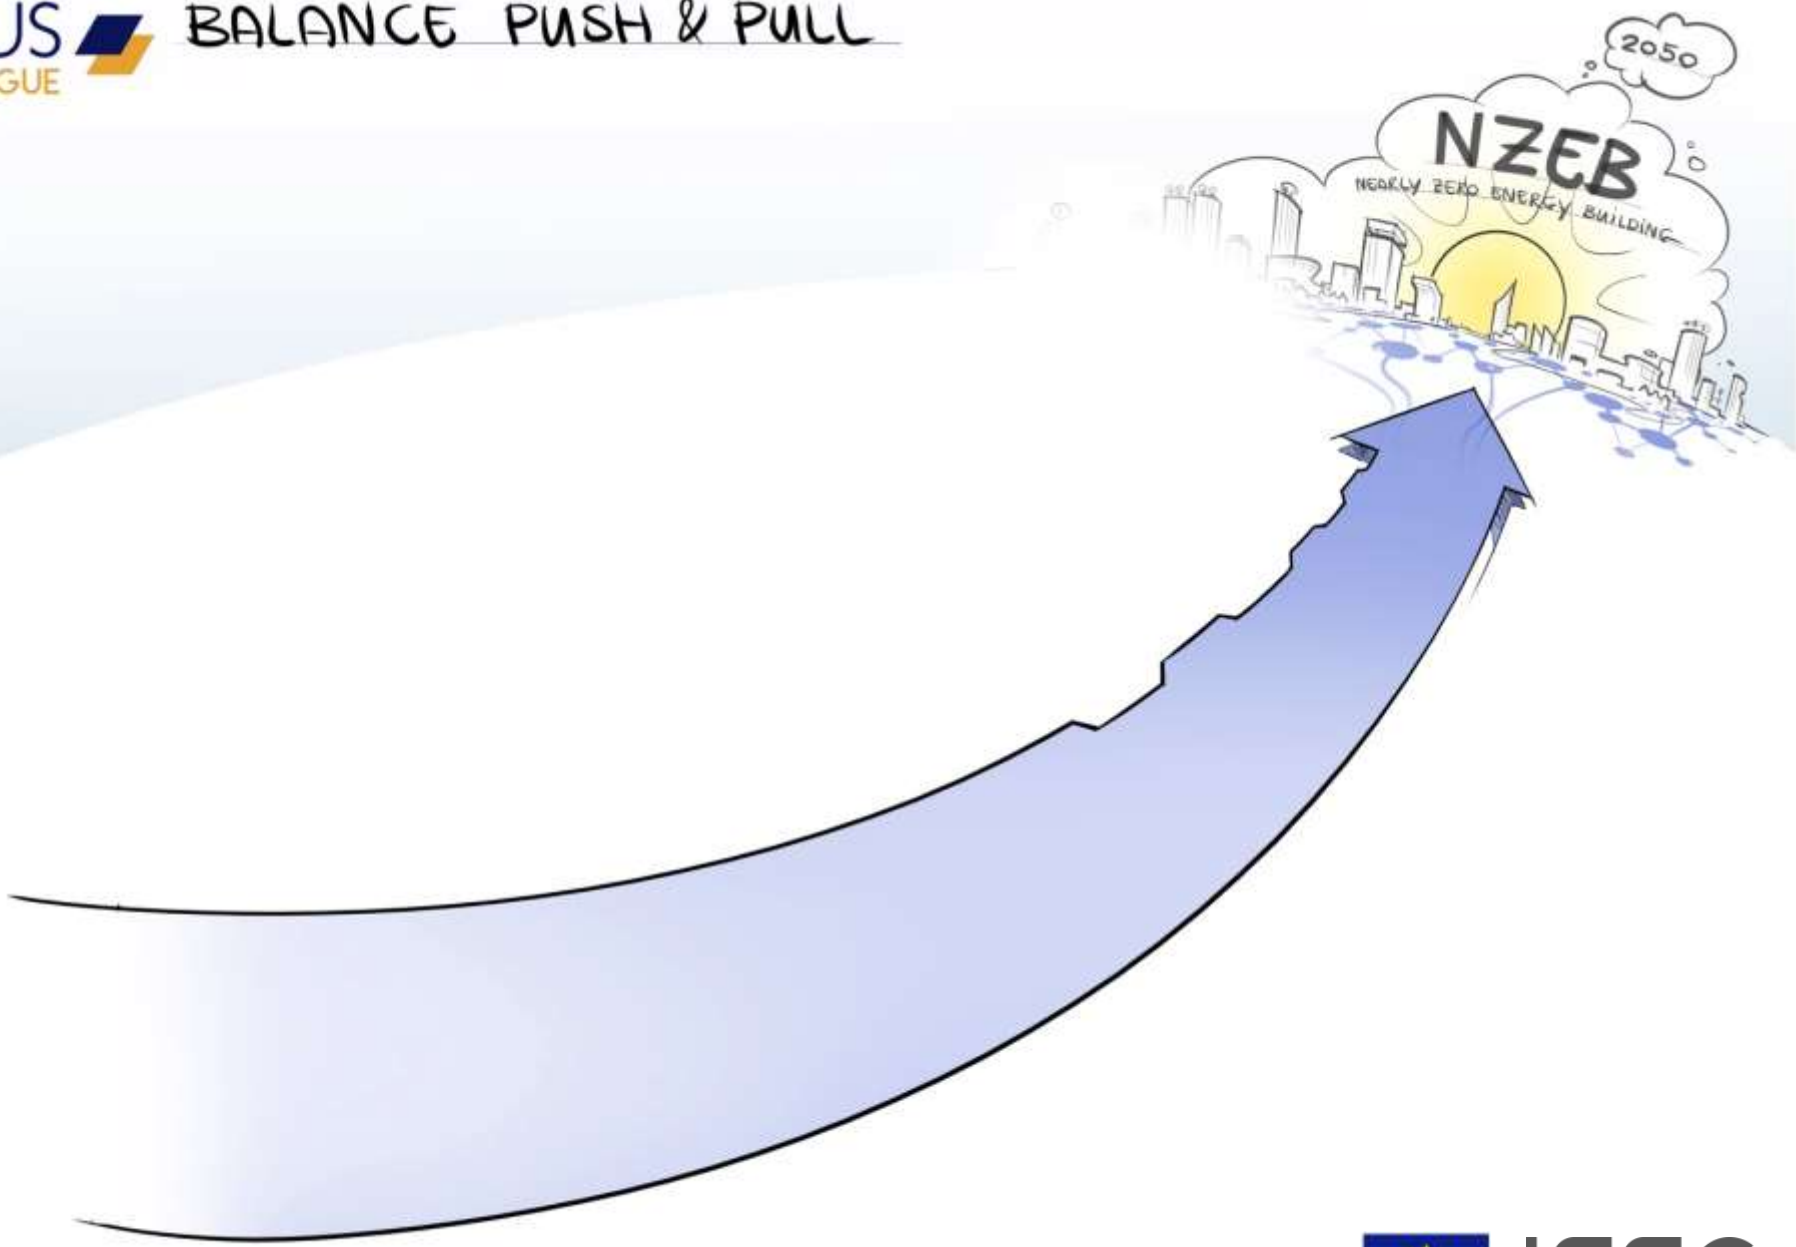

# Objectives of BUSLeague

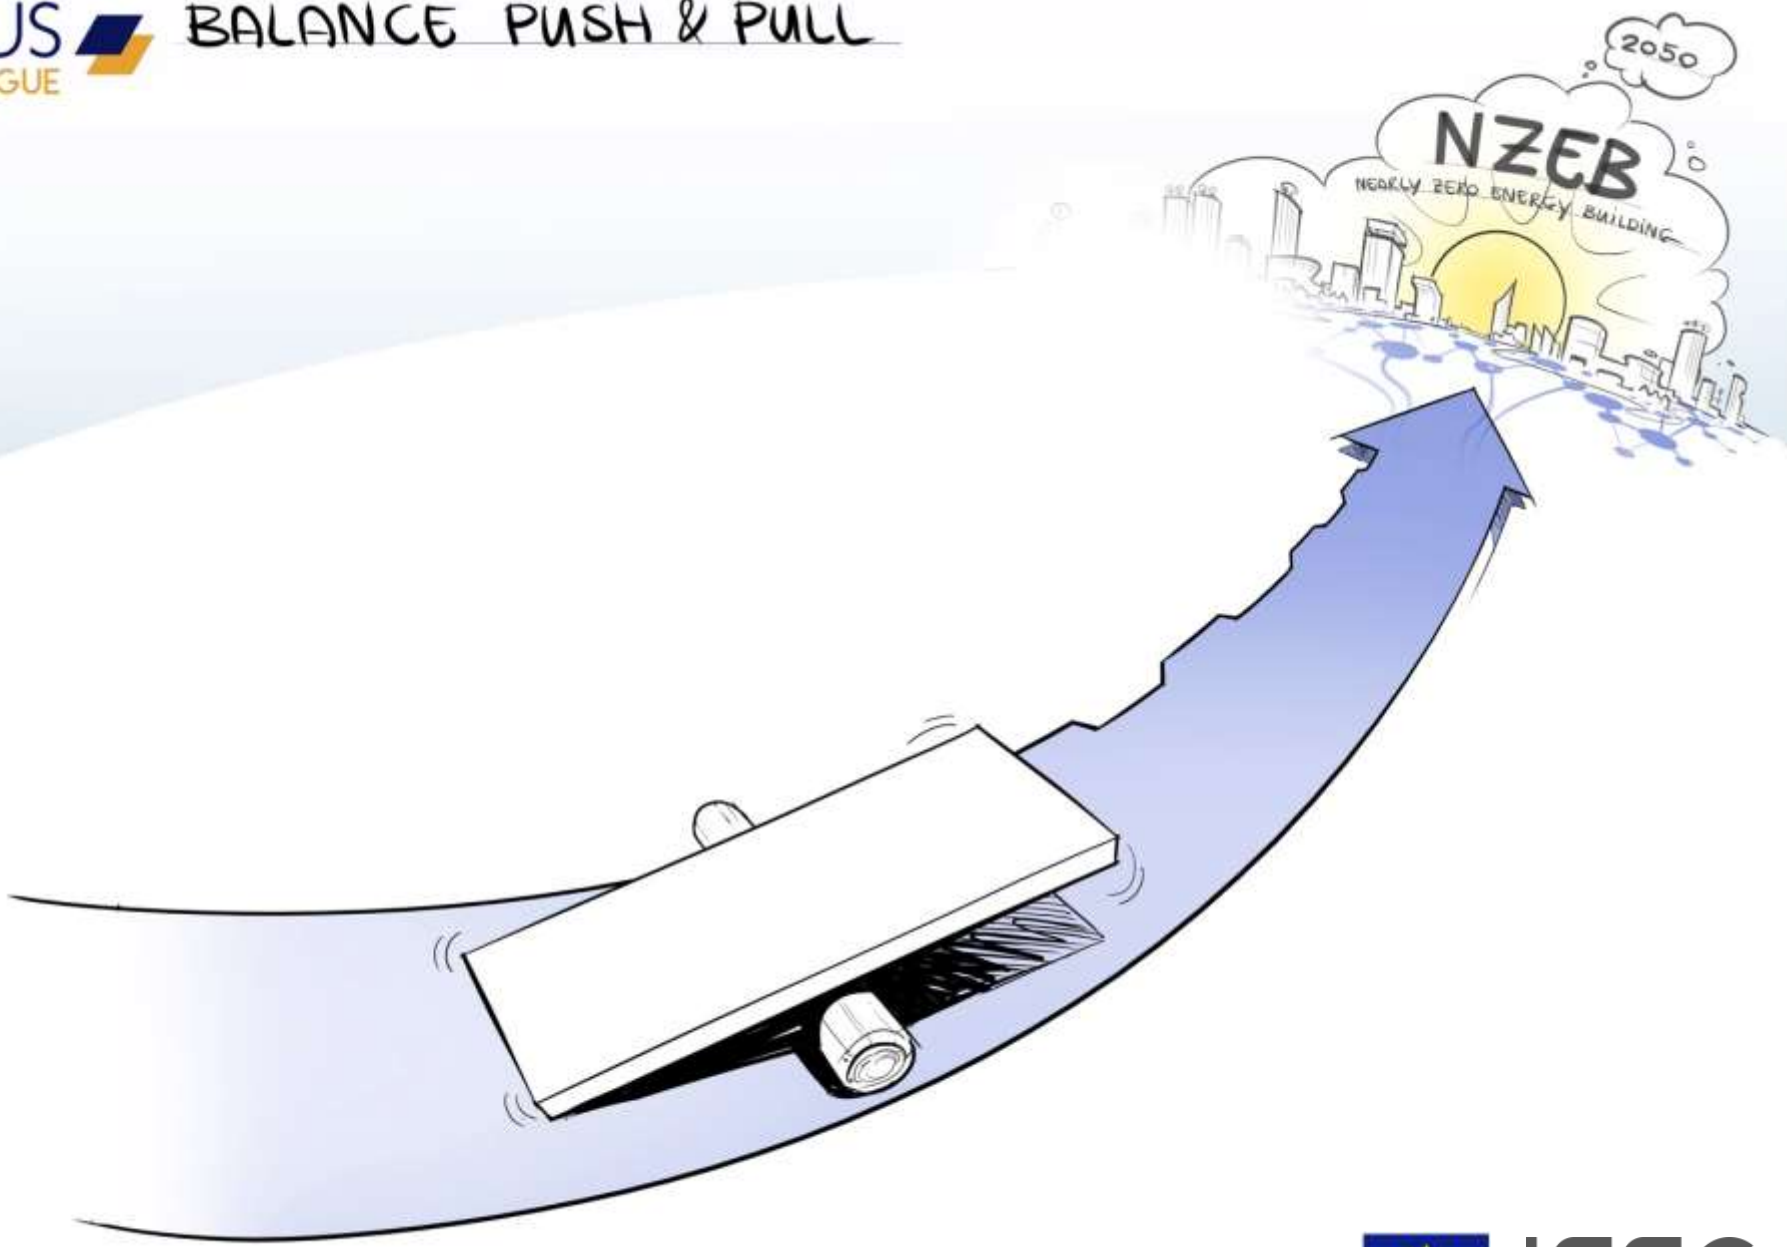

1. Provide recognition of energy skills qualification(s) in the construction sector
2. Work on awareness and influence legislative changes that will stimulate and advance the demand for energy skills
3. Upscale the use of successful training methods and techniques
4. Demonstrate the effectiveness of BUSLeague interventions
5. Expand the BUSLeague at national and EU-level

# Let us collaborate & co-create

- On recognition of Energy Skills
- On qualification(s) and Unit of Learning Outcomes
- On practical upskilling means
- On translation of at national level available upskilling to make them available at EU-level  
For example BUS-app e-learning modules
- Co-creation of new e-learning content

This project has received funding from the European Union's h2020 framework programme for research and innovation under grant agreement no 892894
