

# WORKSHOP

New  
European  
Bauhaus

**Challenging your R&D project against the NEB approach**

## **Objectives of this session**

**Raise awareness about the New European Bauhaus**

**Understand how EU-funded projects grasp the NEB concepts so far**

**Identify the remaining hurdles to practical implementation**

## **Agenda**

**15  
min**

**Introduction, icebreaking, break down in 3 groups**

**20  
min**

**First round: your project and the NEB Values**

**20  
min**

**Second round: your project and the NEB working principles**

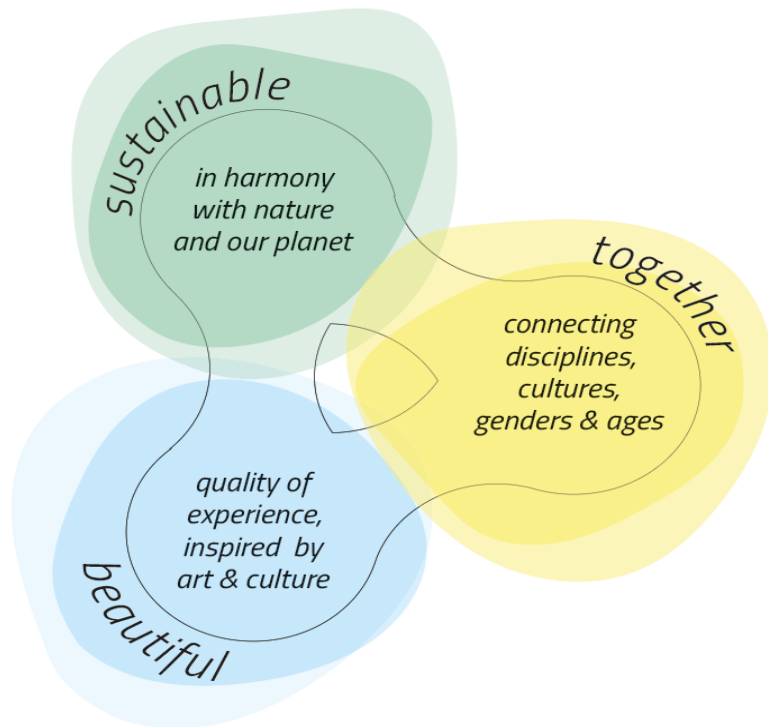

**30  
min**

**Wrap up and discussion**

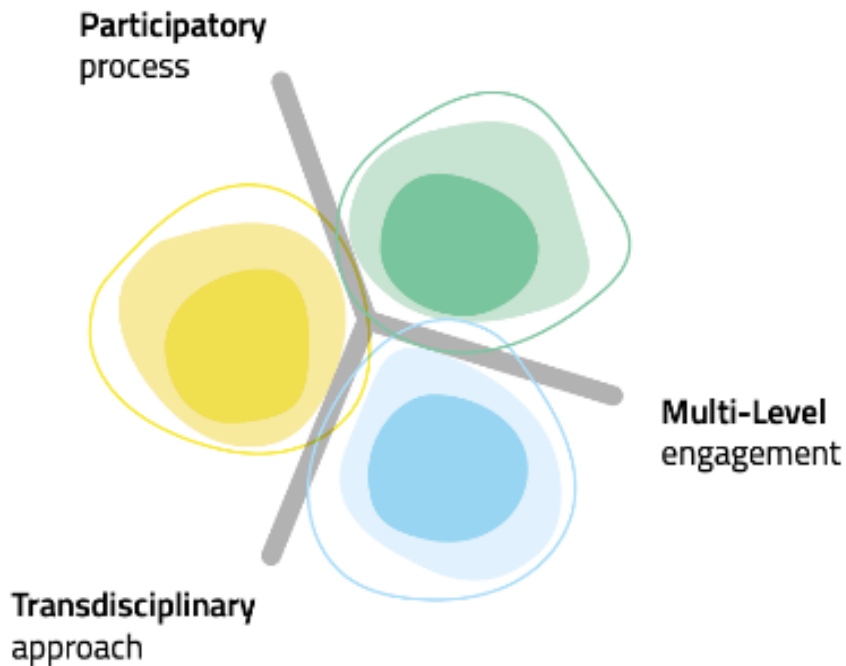

## Reminder about the New European Bauhaus

### Three values:

## Reminder about the New European Bauhaus

### Three working principles:

## Facilitators of this session

**Larissa De Rosso, ACE, NEBULA project**

**Kelly Riedesel, NTNU, SYN.IKIA, and ARV projects**

**Eva Ceh, Innovawood, AEGIR and DIGINEB projects**

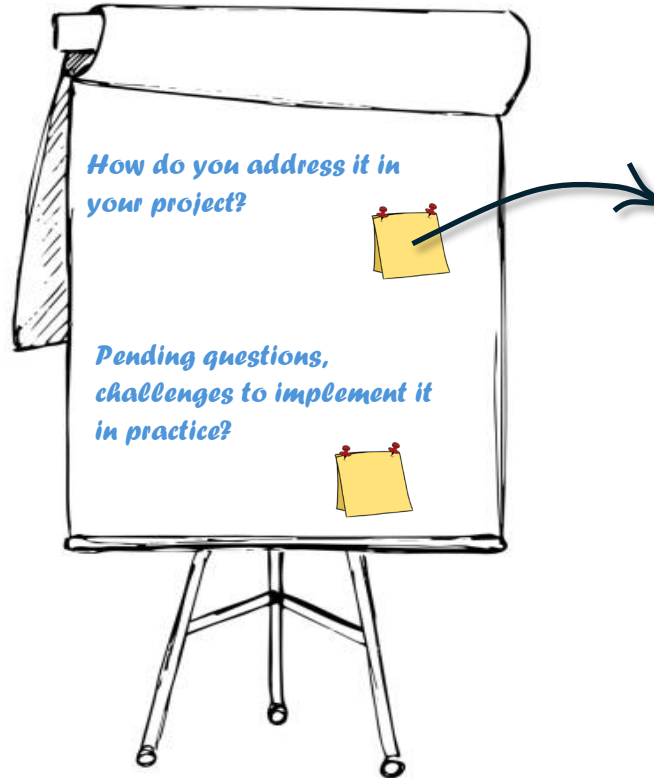

**Clémentine Coujard, DOWEL, NEBULA project**

## How we will proceed today:

### Round 1: NEB Values

- One paperboard for each of the 3 NEB values
- Each group spends approx. 5 minutes per paperboard
- Facilitators are willing to play rapporteurs' role as well, but feel free to volunteer 😊

*Project name  
+ description of the NEB practice*

### Round 2: NEB working principles

→ Same workflow

**Who are you?**

**Wrap up session**

# Wrap up and discussion

15  
min

Synthesis by the facilitators about the NEB practices considered/ implemented in the projects

→ **Question: What was the added value of implementing the NEB values/ principles in your project?**

15  
min

Synthesis by the facilitators about the remaining challenges identified

→ **Question: what type of support or resources do you need to tackle these challenges?**

**SAVE THE DATE!**

**6<sup>th</sup> 7<sup>th</sup> March 2025, Brussels**

**FINAL EVENT**  
**Jointly organised by:**

**Nebula**
