INFORMATION ON THE PROCESSING OF PERSONAL DATA

pursuant to Article 13 of Regulation (EU) 2016/679

R2M SOLUTION SRL is responsible for the Sustainable Places newsletter and provides the following information to INTERESTED PARTIES in relation to the obligations regarding the protection of personal data

The SUSTAINABLE PLACES Newsletter is distributed by e-mail - automatically and free of charge.

The data provided will be used with IT and telematic tools for the sole purpose of providing the requested service and, for this reason, will be stored exclusively for the period in which it will be active.

The data controller is R2M SOLUTION SRL with registered office in Pavia, Via Fratelli Cuzio 42, e-mail info@r2msolution.com

The data has been collected directly from the data subject and is processed exclusively by the staff and collaborators of the data controller or of the companies expressly appointed as data processors. The processing is carried out for informational purposes, compatible with the purposes for which the data were initially collected.

Data subjects have the right to obtain from the Data Controller, in the cases provided for, access to personal data and the rectification or erasure of the same or the limitation of the processing that concerns them or objects to the processing (Articles 15 et seq. of the Regulation). The appropriate request may be submitted by contacting the Data Controller at the addresses indicated above.

Data subjects who believe that the processing of personal data relating to them carried out through this service is in violation of the provisions of the Regulation have the right to lodge a complaint with the Guarantor, as provided for by art. 77 of the Regulation itself, or to bring the appropriate proceedings before the courts (Article 79 of the Regulation).

The Data Controller does not process your data through automated decision-making processes and does not carry out profiling. The data is stored for 10 years starting from the last interaction of the data subject with the data controller.
