

Call for Proposals Now Open!

We invite you to submit your workshop, technical session, or project dissemination proposal for SP 2025.

Whether you're leading an EU project, presenting research, or clustering with other initiatives, SP 2025 provides a unique, collaborative platform for sharing and impact.

[Call for Proposal application](#)

Deadline for CfP: 31 August 2025

For more information, visit [Sustainable Places website](#)

Get Involved at Sustainable Places!

 **Co-organise a Clustering Workshop** – Collaborate with other projects to share updates, build joint knowledge, network, and exchange best practices. ➡ Submit your CfP [here](#).

 **Present Your Work** – Secure a dedicated slot in a thematic session to showcase your project, with or without a supporting paper. ➡ Submit your idea for presentations [here](#).

 **Display Your Project** – Take advantage of the poster space available in the common areas to present your work visually. ➡ Join us at SP and bring your poster with you.

 **Become an Exhibitor or a Sponsor** – Put your brand or results in front of Europe's top R&D performers. ➡ [Contact us](#) for more information.

✨ **Did you enjoy SP2024? Recommend it to your network!**

✉ Forward this newsletter and invite them to subscribe to SP Newsletter via [this link](#) to receive updates about SP2025!

Mark SP in your calendar and prepare to join us in Milan!

For special requests, including but not limited to reserving a private meeting space for a project assembly, please don't hesitate to contact us at sustainableplaces@r2msolution.com

8–10 October 2025

Monte Rosa 91 Conference Centre in Milan, Italy

SP2025 is organized in collaboration with the **Comune di Milano**.

See you in Milan!

What you need to know about Sustainable Places:

Sustainable Places is the leading European conference for applied research and innovation in the built environment, bringing together EU projects, researchers, industry professionals, and policymakers.

For this 13th edition, expect high-level keynotes, technical sessions, project workshops, poster displays, and inspiring local site visits.
